Matthews Memorial utilizes new concepts in skilled nursing care to enhance personalized treatment under the direction of each resident's own physician. Nursing care is to be given in a manner intended to not only meet our residents' needs for medical care, but to also motivate them to enjoy a full spiritual, social, and recreational life. The entire staff is trained in an effort to give residents the warm and pleasant relationship they need to assist in their recovery and to make their days in the facility as rewarding as possible.
